ENVIRONMENTALLY SUSTAINABLE

SUSTAINABILITY AND COMMUNITY INVOLVEMENT

Armstrong Flooring has a proud, long history of sustainability and environmental stewardship and we believe one of the reasons we have stood the test of time is our commitment to acting responsibly and with integrity everywhere we work. Armstrong Flooring has twelve (12) manufacturing facilities in the United States and our Corporate Headquarters was the first building in Pennsylvania to receive Platinum LEED certification. For more information about sustainability commitments and our community contributions, go to www.armstrongflooring.com/corporate/en-us/sustainability.html.

Luxury Flooring, Vinyl Tile and Vinyl Sheet

Armstrong® vinyl sheet, vinyl tile and LVT are FloorScore® certified and ortho-phthalate free. Products with FloorScore certification are guaranteed to meet or exceed low emission standards, will not adversely affect indoor air quality and have passed a third party certification process.

Engineered Tile

Alterna® Engineered Tile is FloorScore certified, ortho-phthalate free and contains a minimum of 40% pre-consumer recycled content.

LUXURY FLOORING ACCESSORIES

UNDERLAYMENT

Engineered to reduce sound and compensate for slight subfloor irregularities, Armstrong® Quiet Comfort™ underlayment is ideal for use with Armstrong LVT flooring.

Turn any glue down LVT into a floating floor with S-1841 Quiet Comfort™ Floating Underlayment. Float underlayment over subfloor and glue LVT to underlayment. Floating underlayment allows for easy cut out and replace for quick fixes.

S-1840 Quiet Comfort™ Luxury Flooring Underlayment

- Designed for use with Armstrong Luxury Flooring, Alterna®, and LVT products
- Excellent acoustic barrier for through-the-floor and in-room footfall noise reduction
- Cross-linked polypropylene provides moisture barrier which resists mold and mildew
- Weight: 6 lbs./roll
- STC/IIC: 62/64

300 sf Roll

S-1841 Quiet Comfort™ Floating Underlayment

- Turn any Alterna or LVT installation into a floating floor
- Reduces subfloor preparation and simplifies installation
- Construction: saturated polyester provides strength and stability
- STC/IIC: 62/57

100, 350 or 1,600 sf Rolls

COORDINATING TRIMS

There's a trim designed to match our Luxury Flooring products.

All products have:

- Multi-purpose trim - provides a seamless look when transitioning from luxury flooring to another flooring surface
- Overlap stair nose trim - finishes the edge of stairs and step downs or landings

Additionally for Pryzm™ and Rigid Core Elements™ we offer flush stairnose and endcap profiles.

ALTERNA® ENGINEERED TILE

The natural beauty of Alterna isn't limited to floors! Use Alterna, with or without grout as a decorative backsplash, accent wall or other focal point to bring added style to your space.

**Alterna is not recommended for shower walls, fireplace surrounds or any wall application that exposes it to continuous saturation or temperatures above 300°F.*

ALTERNA® ACCESSORIES

UNDERLAYMENT

The use of quality underlayment is critical to a successful installation and should be installed prior to laying flooring. Use the pre-applied tape for a seamless moisture barrier, especially over concrete.

S-1840 Quiet Comfort™ Luxury Flooring Underlayment

- Designed for use with Armstrong Luxury Flooring, Alterna®, and LVT products
- Excellent acoustic barrier for through-the-floor and in-room footfall noise reduction
- Cross-linked polypropylene provides moisture barrier which resists mold and mildew
- Weight: 6 lbs./roll
- STC/IIC: 62/64

S-1841 Quiet Comfort™ Floating Underlayment

- Turn any Alterna or LVT installation into a floating floor
- Reduces subfloor preparation and simplifies installation
- Construction: saturated polyester provides strength and stability
- STC/IIC: 62/57

COORDINATING TRIMS

The Finishing Touch Coordinating Multi-Purpose & Stairnose Trim

- Matching trim for all Alterna® designs
- Multi-Purpose trim provides a seamless look when transitioning from Alterna® engineered tile to another flooring surface
- Stairnose trim finishes the edges of stairs, step downs or landings
