Armstrong®
FLOORING

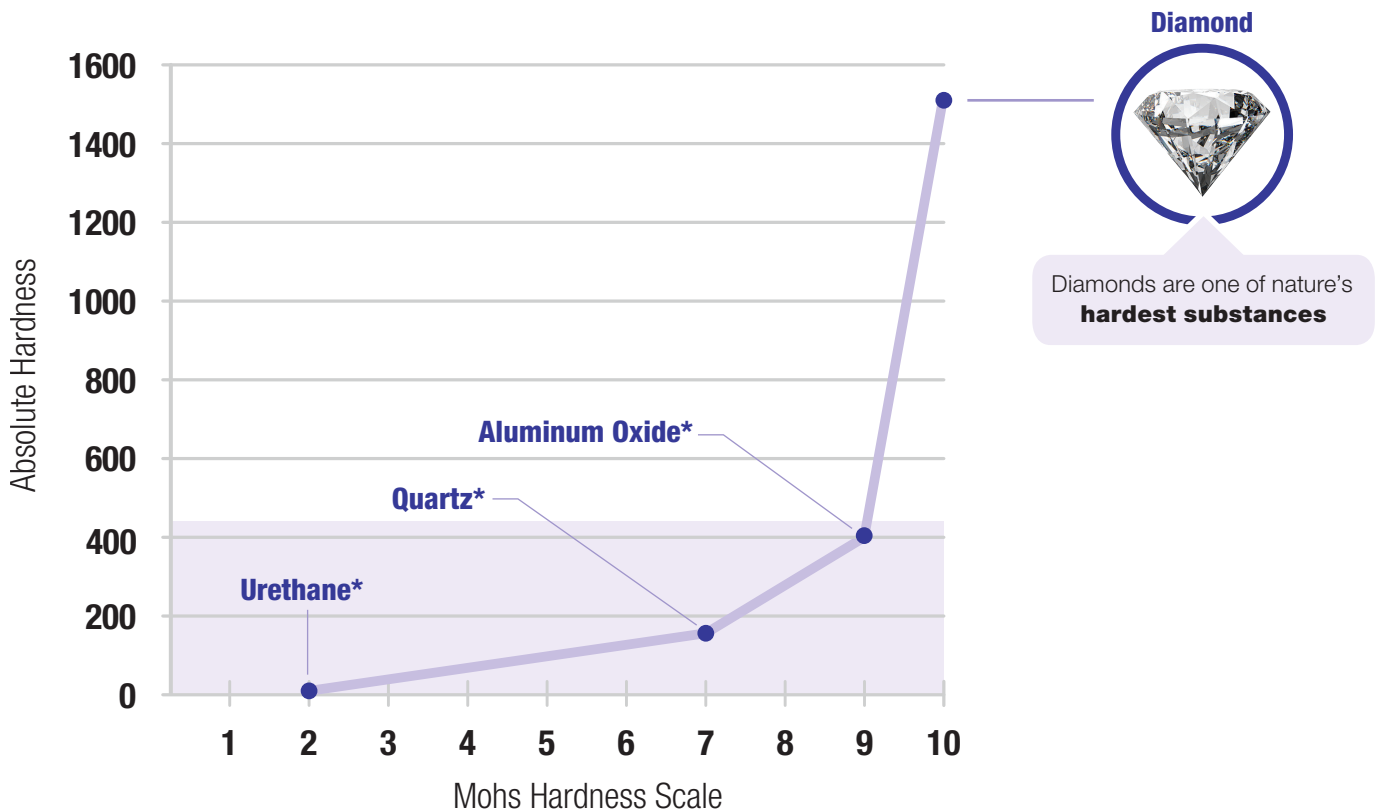

VINYL SHEET FLOORING
WITH DIAMOND 10® TECHNOLOGY

Priceless Protection

It's revolutionary and made with nature's hardest substance – diamonds. Innovative Diamond 10[®] technology from Armstrong Flooring makes Armstrong Vinyl Sheet floors scratch, scuff and stain resistant. It also repels dirt, making clean-up a breeze.

Diamond 10 technology is featured on **Premium** and **Better** vinyl sheet floors

The Mohs scale of mineral hardness characterizes the scratch resistance of various minerals.

**The key ingredients in most competitive finishes*

Vinyl Revival

Armstrong Flooring has reinvented Vinyl Sheet flooring - with incredible realism, authentic textures, vivid color and our patent-pending Diamond 10® technology. This superior level of performance withstands people, pets, scratches and stains, so your floor looks newer, longer. Great styles, easy cleaning and the added durability of Diamond 10 technology make Armstrong Vinyl Sheet flooring better than ever – an ideal choice for any room in your home.

NOTE: When seaming is required in an installation, Armstrong communicates pattern matching in two ways: the true design repeat (length, width and drop) and the "economy match." For PREMIUM results, we recommend that the true design repeat be used to match the pattern. However, in some installations, the economy match can be used with satisfactory results. While the economy match is not a true match, it can be used where 6' or 12' material is installed with a small fill. Please note: when multiple 6' or 12' widths or a fill of wider than 6' for 12' materials or 3' for 6' materials are required, always refer to the true design repeat.

See *Armstrong Guaranteed Installation System booklet F-5061*.

Proud to support
American jobs
